

SURVIVOR'S REMORSE

Starz Remorse Productions, LLC

May 1, 2014

Good Day Brookhaven Neighbors

Starz Remorse Productions, LLC will be filming some scenes at a home on East Brookhaven Dr over the next couple of months. Our first day of filming will be on May 7th from approximately 7am and we will be finished around 3pm. We are planning on coming back to the same home 4 times during May and June.

We are planning to keep our truck traffic at a minimum. There will be no tractor-trailers parked on the road. The biggest vehicle will be our 10 ton camera truck which is about 30 ft long. Besides the camera truck there will be passenger vans, box trucks and mobile restrooms.

You will still be able to access East Brookhaven Dr and while we are present there will be Atlanta Police Officers on site to direct traffic and ensure the safety of residents and crew.

We look forward to featuring your neighborhood in our new television program and hope that the experience is a pleasant one.

Please don't hesitate to call me with any questions.

Thank you for your hospitality,

Jennifer Griffin
